FISCAL NOTE

SB 761 - HB 909

March 14, 2011

SUMMARY OF BILL: Deletes the requirement under the Airport Authorities Act that an interlocal agreement between municipalities, counties, and a political subdivision of another state be approved by the Attorney General prior to the creation of a regional airport authority. Adds that the powers conferred by the Act are in addition, not substitution, to the powers conferred by any other law and the powers granted by the Act which may be exercised without regard to requirements, restrictions, or procedural provisions of any other law.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Any decrease in expenditures from removing the requirement that the Attorney General reviews and approves interlocal agreements for the purpose of establishing a regional airport authority will be not significant.
- The number of Regional Airport Commission meetings and the number of commissioners attending will remain unchanged.
